EXPERIENCE

Native Spaces – Alternance (Work-Study Program)

2024 - present

- Built core features for V2 marketplace platform connecting event organizers with venue owners, including venue landing pages, blog system, and complete responsive implementation across the site
- Worked on V1 to V2 migration while building new features in Next.js, TypeScript, Tailwind CSS, tRPC, and PostgreSQL
- Served as sole on-site developer in the dev team, bridging remote engineers with on-site team for product and design decisions
